National Student Bursary Office

Supporting Access. Enabling Opportunity.
Advancing Student Success.

About the National Student Bursary Office

The National Student Bursary Office (NSBO) at Rosebank International provides strategic oversight and leadership of the institution's bursary portfolio.

The Office supports equitable access to higher education by facilitating funding opportunities for students and working collaboratively with funding partners and stakeholders to contribute to student access, academic progression and success.

Our Purpose

We are committed to reducing financial barriers to higher education by creating and facilitating meaningful funding opportunities for eligible students.

Through a well-governed and sustainable bursary portfolio, the NSBO supports student opportunity while building partnerships that contribute to access, progression and student success.

Our Bursary Portfolio

The NSBO manages and coordinates a diverse portfolio of bursary opportunities, which may include:

- Institutional Bursaries- Funded directly by Rosebank International.
- Externally Funded Bursaries- Funded through external funders, sponsors and partners.
- Targeted Funding Opportunities- Funding aligned to specific student groups, programmes or strategic priorities.

The availability and scope of bursary opportunities may vary according to funding availability, programme requirements and funder priorities.

What We Offer

The NSBO provides a structured and collaborative approach to the management of bursary programmes and funding partnerships.

We work with funding partners and stakeholders to understand their objectives and support bursary initiatives that create meaningful opportunities for students.

Our offering includes:

- A tailored approach aligned to funding priorities and programme requirements
- Structured oversight of bursary programmes and funding initiatives
- Student and programme monitoring to support academic progression and success
- Stakeholder engagement and relationship management
- Reporting and insights to support transparency and informed decision-making
- Responsible funding management supported by appropriate governance and accountability

Our Approach

Our work is guided by a commitment to:
Partnership. Transparency. Accountability.
Student Success.

These principles underpin how we manage the bursary portfolio and engage with students, funding partners and stakeholders.

We believe that meaningful collaboration, clear communication and responsible stewardship of funding are essential to creating sustainable opportunities for students.
